

Deputies' Meeting

Tuesday, 28 October 1952

PRESENT: General Smith, Messrs. Wisner, Wolf, Becker, [REDACTED]

25X1

General Smith:

S-10-31-52

25X1

b. Referred to the paper on Iran being prepared by [REDACTED] of the Joint Chiefs discussed at a previous Deputies' Meeting and stated that action on this paper was being held in abeyance pending a discussion between Secretary Lovett and Under Secretary Bruce since Defense was not yet ready to give up Iran.

Mr. Helms (Cont'd)

e. Reported that one of our female employees had attempted suicide possibly as a result of several indiscretions and, as soon as she has recovered from an overdose of sleeping pills, would be returned to Headquarters. The Director stated that our field chiefs should be advised to return their personnel after a first indiscretion and not wait for a second to occur.
